

**Dear Guest.**

The easiest way to find the Retreat is by following the direction below, by going through the main entrance of Pipestem State Park. **However, the Park is closed between 10pm and 6am.** As some of our guests arrive during those times, these are alternative directions using the back entrance to the Park.

Also you will find Google maps on our website indicating the location of our properties.

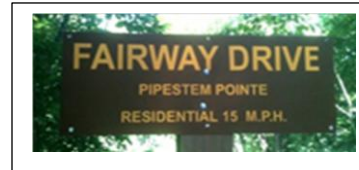

**Directions through Pipestem State Park.**

Signs for the State Park are clearly posted on both highways (I77 and I64) and therefore the park is easy to find. Once you are there, use the main entrance and follow the road for about three miles till you see Mc Keever Lodge on your left. Once you are halfway past their parking lot (also on your left), you need to take a right.(A sign says cottage 14 -26.) After about 600 feet, take a left and follow the Golf Course (on your left)

At the end of the golf course, you will pass a house and about 100 feet beyond the house, there is a road to the left

(Fairway Drive) (This is a small sign)

Take this left turn (Steep turn) Follow this road for about ½ mile and you will see the sign for the Retreat on your left.

**USING A NAVIGATION SYSTEM**

Because the road to the Retreat at Pipestem originally was an old logging road, it did not show up on any navigation system.

Recently however, it has been added to some systems. For example Google Maps gives you the correct road when you put in; Fairway Drive, Pipestem WV. (Make sure to add 'Pipestem' as Leron which is close by also has a Fairway Drive

Be aware, that some other system would bring you to Fairway Drive in Leron. While this is only a few miles away, it certainly does not get you to where you want to be.

**Alternative directions (between 10pm and 6am).**

**You will be traveling on route 20 and you will need to turn onto True Road**

**Coming from Hinton**

Follow route 20 for about 12 miles. Eventually you will need to turn right on True Road. There are two exits for True Road,you need to take the second. It can be easy to miss, and this picture sheet will help you find the way. About one mile before your exit, you will see this house on your right. From here, the road will grade upward.

Watch for the three way sign, and the green True Road Sign (these are at the left side of the road. At the crossing, you will see the Pipestem unincorporated sign ahead of you.

**Turn right onto True Road**

### Coming from Princeton.

You will pass the main entrance into Pipestem State Park on your left. Continue on route 20 for about 2 ½ miles. You will see a green sign Gravelly Road on your right. About 600 feet after this sign, watch for a road situation as per picture. You need to turn **left onto True Road**. If for some reason you miss the turn you need to turn and follow directions as coming from Hinton

### You are now on True Road

After about ¼ mile take the first road to your left.  
After about 1/3 mile you will pass a sign **ENTERING PIPESTEM STATE PARK**. Shortly afterward you will see a sign on your right indicating **Fairway Drive**. This is a small sign and here you will turn right onto a one lane road.  
After about 1/2 mile you will see the Retreat at Pipestem on your left.
